Hello MSU Students,

Have you been wondering how you will spend your summer? Are you looking for something meaningful to do? Perhaps you will consider being a camp counselor. There are a few camps in Michigan that are looking to provide an opportunity for college students to share their love of Christ with youth from all over the state. Some camps provide living and dining while you work at the camp during the summer. There is at least one that is designed so that you are there similar to working a job where you go home in the evening. If this sounds like something for you, contact Pastor Robinson or Pastor Curt for additional information.

Lenten Study Group to Continue

The Lenten Study group, which has been meeting on Tuesdays, is going to continue with a focus on the time between Jesus resurrection and His ascension and then into an examination of the Book of Acts. Anyone wishing to join us in this study is warmly welcome. Our meetings for next month will be on May 10 and May 24, at 3:00 p.m. Refreshments are provided. Our study is lively but casual and friendly with all points of view encouraged. Please join us if you can. ~ The Tuesday Study Group

Stewardship Corner

Many of us view fundraising “as a necessary but unpleasant activity to support spiritual change”. From the perspective of the gospel however, fundraising is first and foremost a form of ministry. It is a ministry’s way of announcing their vision and inviting people into their mission. Vision brings together needs and resources, shows us new directions and opportunities, and gives us the courage to speak! Fundraising invites you to invest yourself using the resources that God has given you - your energy, your prayers, and your money.

Fundraising is a confident, joyful, and hopeful expression of ministry. In ministering to each other, each from the riches that he or she possesses, we work together for the full coming of God’s kingdom. The apostle Paul said it best in 2 Cor. 9:11: “You will be enriched in every way for your great generosity.”

~Excerpts from “A Spirituality of Fundraising”, by Henri J. M. Nouwen.
